COME SUPPORT YOUTH FISHING!

MEETINGS BY THE MINUTE

August 5, 2015

Following tournament sign ups for both Horsetooth and Lonetree (night) the meeting began at 7:22pm

Conservation director George Mauries reported the Sandoval lake project is a "no go". There are no fish transfer plans and the C-470 pond fish reclamation has already been done by the CDOW.

The Denver Juniors report was touched on in Curtis' stead. Curtis later updated his report and reminded the club of the Juniors event at Swift Ponds on August 22. Members are encouraged to assist in measuring of the kids catches for their championship. A pot luck will follow while cards are tallied.

Our kids participants in the Tennessee national competition finished in the middle of the pack. The winners did mostly bank-type fishing while our guys concentrated on the offshore ledges.

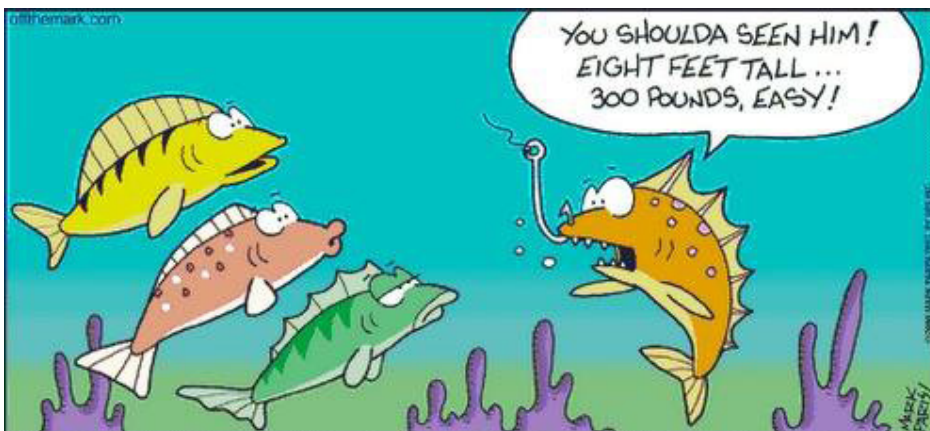

The Mega Bucks tournament dates of October 17 & 18 brought out discussion on event location. Lakes proposed were Oahe, SD., McConaughy, NE., Wilson and Norton, KS., Flaming Gorge, WY., and Navajo, CO/NM. Norton

was the eventual winner but with low water levels the location will be reconsidered at the September meeting. (A subsequent report of extremely low water levels resulted in a board meeting vote to change the location to Merritt Reservoir in Nebraska following very favorable reports on that fishery's condition). The will be a pre-fish on Friday, October 16 during normal tournament hours – approx 6am to 3pm.

Tom Grace gave an update on the purchase programs available through Rapala and Eagle Claw. Rapala has a new micro fiber "Nano" line and Eagle Claw still has some of the Carbon Pro rods available at very affordable prices. See tom for Rapala info and visit the Eagle Claw outlet store (Colorado Blvd & I-70) for availability.

Partner draws for both the Horsetooth tourney and the night tourney at Lonetree were done. (Night tournament location moved from Lonetree to Chatfield because of low water conditions).

Tom Grace for Secr'y Steve Ehrman
